From the Desk of Mr. Murr...

Several times a week, I have the privilege of teaching Bible to our Seniors at LLCA. The purpose of this class is to reinforce Truth behind the Biblical Worldview. In 8 short months, this group of Seniors will have graduated and will be starting new chapters in their lives. As they begin these new chapters, I find peace in knowing that they will be equipped to see all things through a biblical lens. Our Seniors are excited to share their passion for serving others in our community. Stay tuned for upcoming opportunities to join these students as they serve!
